Kitezh and Hash House Harriers warmly invite you to the MIDSUMMER FUN RUN 2009

We are pleased to welcome the international running group Hash House Harriers and all our friends and supporters to our therapeutic community Orion on 20th June 2009. Join us for a fun and inspirational day in the Russian countryside 75km south west of Moscow! Families are very welcome.

On 20th June a group of Hash House Harriers from all over the world will come by bus to Orion and organize a children's run, providing entertainment for approximately 30 children from Kitezh and Orion. The event will start at 1300hrs, and go on until early evening, when the runners will leave us to stay in a nearby guesthouse.

During the day children and adults will put on a play, take our visitors on an excursion and show a film of how our unique children's villages were built. After the run, there will be songs, BBQ and a raffle. The day promises to be great fun and through it we aim both to raise awareness of therapeutic family-based orphan care in Russia, and funds to support both villages.

We invite friends and sponsors to join us for this midsummer's weekend event! Come and see the difference your support is making to the lives of orphans in Russia.

How it was in 2008

Last year Moscow Hash House Harriers celebrated in Orion their 25th anniversary of running, charitable contributions and merrymaking.

The children thoroughly enjoyed the day, running, playing, dancing and receiving their fantastic goodie bags and sports equipment! But judging by the number of adults who were basking in the sunshine, playing football and tucking into the BBQ it seems the adults had just as much fun!

As a result of the raffle, auction and general donations by individuals and organisations, we raised over 7,000 dollars. With this we bought our children sports equipment and partly covered the costs of building a new foster family house. Thank you to those who contributed. The amount raised was beyond our expectations!
